**MANDATORY/STANDARD CONDITIONS OF SUPERVISION**

While on supervision, the defendant shall comply with mandatory and standard conditions of supervision including:

DNA collection  
Drug testing (suspended)

Additionally, the defendant shall comply with the following special conditions of supervision:

1. You must provide the probation officer with access to any requested financial information and authorize the release of any financial information. The probation office will share financial information with the U.S. Attorney's Office.
2. You must not apply for, nor enter into, any loan or other credit transaction without the approval of the probation officer.
3. You must not create/form any new business entities during the period of supervision.
4. If the judgment imposes a fine or restitution, you must pay the fine or restitution in accordance with the Schedule of Payments sheet of this judgment. You must also notify the Court of any changes in economic circumstances that might affect the ability to pay this financial obligation.

5. You must submit your person, property, house, residence, vehicle, papers, computers (as defined in 18 U.S.C. § 1030(e)(1)), other electronic communications or data storage devices or media, or office, to a search conducted by a United States probation officer. Failure to submit to a search may be grounds for revocation of release. You must warn any other occupants that the premises may be subject to searches pursuant to this condition.

The probation officer may conduct a search under this condition only when reasonable suspicion exists that you have violated a condition of supervision and that the areas to be searched contain evidence of this violation. Any search must be conducted at a reasonable time and in a reasonable manner.
